

## Super Star

Attached is a calendar showing when your student is scheduled to be our weekly **Super Star**! This is our way of spotlighting each student individually during the school year.

The child serves during his/her entire Super Star week, but the date on the calendar indicates the Monday (or Tuesday if Monday is a holiday) when your child's week begins. Your child will have something special to participate in each day of her/his Super Star week. The following days are those that we will need your help with:

### Monday (or Tuesday if Monday is a holiday): Poster

Please help your child prepare a **poster** to bring to school.

Students of past years have decorated their posters in many creative ways, usually including photographs of themselves and their families, vacations, pets, etc. This is a fun time to let your child tell about all of his/her favorite things, too!

### Tuesday (or Wednesday if Monday is a holiday): Show & Tell

On Monday (or Tuesday if Monday is a holiday) of your student's Super Star week she/he will bring home our Super Star Backpack. Please help your child select 3-4 items to place in the backpack that will represent who they are (personality, likes, interests, talents, etc). He/she will get to share these items with the class on Tuesday (or Wednesday if Monday is a holiday). This is your student's only formal "show & tell" opportunity for the year.

Some students have even wanted to bring baby brothers or sisters, videos of themselves displaying a talent, etc. Please let me know what you have in mind, and we will work out the details to make this special!

## **Friday:**

In past years, many students have enjoyed bringing a treat to share with the class, but we are moving away from that this year. **You won't need to worry about any treat or other celebration items.** To help us celebrate your child's birthday/Super Star week, we have some in-class Celebration Choices. On the Friday of your child's Super Star week, she/he will get to choose an option for the class to do.

Every effort was made in preparing the calendar to have the Super Star week close to the student's birthday. Summer birthdays were assigned throughout the school year.

This is a most treasured time for each student. Please put your child's date on your calendar at home. This is a date your student will not want to miss!

Thank you for helping your child to be a **Super Star!**
